Management Report Highlights

Melanie Woodbeck, Registrar & Executive Director, reported on the following:

Equity, Diversity Inclusion and Belonging

Over the last quarter, the EDI-B WG's activities have included discussing and updating the working group terms of reference and the EDI-B WG Operational Workplan for 2022/2023. The group will make recommendations to Governance/Council on a CDO EDI-B vision statement.

Public Awareness

CDO website traffic passed one million pageviews during fiscal year 2021-22. The College launched a new social media strategy.

Practice Advisory

The 2021-22 Q4 PAS Satisfaction Survey showed 100% of RD respondents to the survey felt the information received was relevant and valuable to their dietetic practice.
